

CERF Testing Registration and Payment

Dr. Dave Lipton will be providing CERF testing on Thursday, May 20th from 11:00 am to approximately 3:00 pm. Reservations are necessary; pre-registration is highly advised. Testing will only be available to approximately 30 dogs in the given time frame. The cost of testing is \$30.

Testing will take place in a quiet building directly adjacent to the show ring and setup area making it easy to step away for a moment. While we cannot guarantee your specific schedule, we will do our best to accommodate time slot requests. Please be advised that your dog's pupils will be dilated for this test.
