

Heart Testing Registration and Payment

The IWF is sponsoring heart testing on Thursday and Friday, May 20 and 21, from 9:00 am to 5:00 pm. Tests offered include EKGs (electrocardiograms), echocardiograms, (cardiac ultrasounds) and blood pressure screening. Dr. William D. Tyrrell, Jr. veterinary cardiologist will perform the echocardiograms. Reservations are necessary; pre-registration is highly advised. There is a 30 dog limit per testing day. Owners pay only \$75 per dog, with the rest of the cost being paid by the IWF. A normal veterinary screening of this nature costs upward of \$400, so please take this special opportunity to get your dogs tested. All Irish Wolfhounds two years of age and older are eligible.

Testing will take place in a quiet building directly adjacent to the show ring and setup area making it easy to step away for a moment. While we cannot guarantee your specific schedule, we will do our best to accommodate day/time slot requests.
